

MELLOPHONES!

Howdy, y'all! How's it going? I'm doing all right. Pretty stoked for the best part of the summer: MARCHING BAND!!!! And, to be in the best section ever: MELLOPHONES!!! In order to make our marching band experience the best we can make it, God commands that we, the mellophones, meet up once a week during the summer to practice our music. This year, those practices will be TUESDAYS 1-3PM AT LINCOLN HIGH SCHOOL. It is very important that y'all are here for as many of these practices as possible, cuz the music is going to need a lot of attention. Please let us know ahead of time (a day or so) if you can't make it. Our wonderful horn tech, Andrea, asks very nicely that you PRACTICE YOUR MUSIC BEFORE THE FIRST SECTIONAL. We want this show to be its best, and outside practice is proven to better a show. So come on down to sectionals! Here are the dates:
