Other stuff

Sectionals are super duper FUN! At sectionals we generally do very FUN activities such as, playing the FUN (yet challenging) music, learning FUN skills like how to march, and a super FUN break (which includes snacks). In order to attain the maximum potential for FUN (and a wonderful marching band season), you must bring a few special items; a saxophone (you aren't really allowed to enter without one), water (wonderfully quenching), shoes with backs that are comfortable to march in (for example, tennis shoes or Chacos), your music (for obvious reasons), and yourselves with a positive attitude. To attain the maximum amount of awesomeness, refrain from bringing the following items; your family members (including the family dog), your machete (FUN, but sorry, not necessary), your wand (unfortunately, this isn't Hogwarts), nor an unpleasant attitude (not so FUN). SEE YOU THERE FOR LOTS OF *FUN*!
