

LINCOLN HIGH SCHOOL MARCHING BAND 2-YEAR BOX TRUCK CAMPAIGN

Why is the Band Parents Association starting this campaign? The current box truck was born in 1995. It has 230,000 miles. Despite regular maintenance by our awesome Roadies, the vehicle is no longer trustworthy for out-of-town travel, so it's time to invest in a replacement vehicle instead of continuing to repair this older one. This last season we had to rent and borrow a box truck for our out of town competitions.

The box truck is invaluable to the band in hauling equipment. We would like to purchase a newer used truck with a 26' box.
