

Uniform Care Instructions

Please follow **ALL** of these guidelines to insure that our uniforms look great for many performances to come!

- Air dry the uniform on the hanger after each wearing.** You will perspire in your uniform. When you get home after a performance, remove the uniform from the garment bag and allow it to air dry on the hanger.
- Avoid getting the uniform wet.** If your uniform does get wet or damp, hang the uniform parts separately on hangers and allow to AIR DRY completely. Do not put in the dryer.
- Do NOT eat or drink while wearing your uniform.** A drink of water is ok.

Other reminders regarding uniform wear:

- Pant hems must be snapped on at least the first snap to protect the raw edge on the bottom unless instructed to do so otherwise. **DO NOT SEW OR IRON THE HEM OF THE PANTS** or otherwise modify the uniform in any way.
- Jackets zip in the back. Start at the top and zip down.
- Long black socks must be worn with your polished drillmaster shoes.
- Black band t-shirts must be worn under the uniform jacket.
- No jewelry of any sort is worn while in uniform, including earrings.
- Hair must be up under the hat and cannot cover the uniform collar. Use hair ties, bobby pins, and hair spray as needed.
- Hats are to be stored upside down in the box to avoid wear on the brim.
- Drillmaster shoes must never be kept in the hatbox or garment bag.
- Gloves should be washed as needed.
- All uniform parts must be turned in at the end of the season in the same condition as they were in when checked out to you.**

Please contact any of these uniform chairpersons if you have questions:
